

Who is ABC?

The Academic Booster Club (ABC) is a non-profit organization made up of parents, educators and other community members who support students that exhibit high capability in intellectual and/or creative areas, possess an unusual leadership capacity, or excel in specific academic fields, thereby requiring services beyond the basic programs provided by schools. ABC is all about children.

Academic Booster Club meets monthly, August through June. For meeting locations and times, see our website at www.questabc.org.

If you would like more information, have any questions, or want to learn about the latest ABC events, please visit our website at www.questabc.org.
